Ph.D. Political Science

Subfield: International Relations, Comparative Politics(minor)

Intended minor: College Teaching

2019-present

Urbana-Champaign, Illinois

- **Courses:** College Teaching, the College Student, the Community College, Assessment for Learning, eLearning Ecologies, Diversity in Higher Education, Critical Issues in Higher Ed

Yonsei University Graduate School of International Studies

Master of Global Affairs & Policy

2017

Seoul, Korea

University of Washington, Seattle

Bachelor of Arts in International Studies

2015

Seattle, Washington

Research Interests

International Cooperation, Multilateral Agreements, Climate Change Politics, Subnational research in comparative politics, Mixed-Method Research

Dissertation/Book Project

Investigates the independent climate actions of subnational governments, focusing on how climate vulnerability, particularly from recurring weather disasters, drives them to address climate change. What motivates these governments to take adaptation or mitigation measures?

Research Experience

Research Associate

Korean Information Society Development Institute

Jincheon, Korea

October 2018-June 2019

- Perform research on “Information and Communications Technology (ICT) Official Development Assistance (ODA) Evaluation Monitoring Result-Based Approach”
- Analyze historical trends of South Korea’s ICT ODA and identify a future path for a successful policy implementation

Summer Research Fellow

Nuclear Nonproliferation Education and Research Center (NEREC)

Daejeon, Korea

June 2014-August 2014

- Served as a research fellow at the NEREC, Korea’s sole academic think tank on nuclear nonproliferation research and training
- Presented the research poster at the 2014 NEREC Conference on Nuclear Nonproliferation sponsored by the Ministry of Science, ICT and Future Planning, the Korean Nuclear Safety and Security Commission, and the Korea Nuclear Policy Society

Research Projects
